

e-Learning Survey Launched

September 12th 2007

Our e-learning surveys for academics and students are now live, and aim to provide us with baseline information about the current use of ICT in teaching in Philosophy, HPS and TRS departments across the UK. Please use the appropriate survey to tell us your views, and help us formulate appropriate suggestions and guidelines for further developments.

The surveys are now open, and we will be accepting responses until the end of April 2008. The first 100 respondents for each survey will be entered into a prize draw for a GBP100 Amazon.co.uk voucher. The **academic** survey can be found at: https://www.heacademy.ac.uk/survey/e-learning_prs_academics, and the **student** survey can be found at https://www.heacademy.ac.uk/survey/student_elearning
